Dear Phil,

Based on the measures you have sent over we would be able to provide cover. This cover would require you to comply fully with government guidelines at all times when operating.

Yours sincerely,

Oliver Colston

Hi,

I am one of the walks organisers for Altrincham and District Rambling Club and may I thank you for the prompt response to our request. However, with apologies for my lack of understanding, but I am unclear as to what the wording of your mail tells me, and as this is a very important document for our walk leaders to have may I ask you to please send another mail in which the wording exactly states that you confirm that you are happy to cover us with our policy, which begins on March 1st, providing that we follow all government restrictions in place and that our current measures/documentation are sufficient.

Apologies for the inconvenience.

Thanks and Regards,

**Altrincham and District Rambling Club**

Oliver,

We will be recommencing club walks in the near future. This will be either towards the end of March, or more likely sometime in April, but in any event, we will be taking our cue from the Department of Digital, Culture, Media & Sport/ Sport England and from the Ramblers Association. We will also be adhering to any advice, from these bodies as regards to conducting walks, in particular the number of members allowed on each. Even though most members should have had a second vaccination by this time, we will still be required to social distance, carry sanitising liquid and wear gloves.

Every walk will take place after a full reconnaissance by the leader and filling in of the Group Walk Hazard Appraisal/Risk Assessment document, which I have attached a copy of for your records. Every new member receives a copy of the club Health and Safety Policy/Guidelines for Members Taking Part in Club Walks and is expected to be fully conversant with this document.

Our walk leaders are anxious to receive a written statement, that you (Protectivity Insurance) are happy with these measures and that the club will therefore be fully insured when walks resume.

Regards,

Terry Clarke

ADRC Hon. Treasurer
